- 30 days' notice is required for share withdrawals from this account.  
One withdrawal out with the notice period will be allowed over a 12-month rolling period. Should subsequent withdrawal requests be made from this account, the account will be closed with shares automatically being transferred to Standard Account, with no future dividends due from the Higher Dividend Account.
- Withdrawal requests from Goldsaver Account cannot be made via online services; a specific withdrawal form is required to be completed and sent to the office via email or post.
- The annual dividend is paid on Goldsaver Account in February after approval of the dividend rate at Annual General Meeting (AGM). Annual dividend rates are recommended to the AGM by Board of Directors and their levels depend on a profit achieved by Credit Union in each financial year. Dividend applied to members' accounts is based on the average daily share balance during the last financial year.
