- *This is an additional savings account and operates similarly to the Standard Shares Account, without being attached to any loan, allowing for access to shares at any time*.*

****In the event of breach/default of loan agreement terms, all shares held by you, across all share accounts (including this one) will be held as security for the loan, for the purpose of loan repayment. You will not be able to access any share accounts in this case.***

- *This account is available to any member who maintains regular payments to their Standard Shares Account.*
- *Lump sum payments of up to £5,000 over a 12-month rolling period, may be paid into this account by card payment, bank transfer or cheque. Cash is not accepted.*
- *This limit is shared with lump sum payments made to the Standard Shares account.*
- *Members may request to withdraw funds from their Easy Saver Account at any time.*
- *Share withdrawal requests can be submitted via online account, or form completed and sent by email or post. Withdrawals from this account will be paid to the member as soon as possible, in line normal share withdrawal procedure. Members will be informed of any notice period currently in force and any future changes prior to implementation.*
- *The annual dividend is paid on Easy Saver Account in February after approval of the dividend rate at Annual General Meeting (AGM). Annual dividend rates are recommended to the AGM by Board of Directors and their levels depend on a profit achieved by Credit Union in each financial year. Dividend applied to members' accounts is based on the average daily share balance during the last financial year.*
