## **GOLD & PLATINUM ACCOUNT SHARE WITHDRAWAL**

Members are permitted **to one short notice** withdrawal from a higher dividend account **without giving the relevant notice period (30 or 60 days)**, over a 12-month rolling period.

If you require a further withdrawal from one of these accounts **out with the notice period**, the account will be closed and your shares automatically transferred to your standard shares account. Any dividends on the higher dividend account will no longer be due.

For more information about this, please contact us as soon as possible.
